You will receive a reduction on your rent for up to three years in the amount of \$400-\$600 depending on which apartment community you live in. Families Flourish's rental support is \$500 per month for 18 months, then \$400 per month for the final 18 months. It is paid directly to the landlord.

You are responsible for your moving costs, security deposits and utility hook-ups.

You will be responsible for timely payment of your portion of the rent, any other charges by the participating landlord, and all utilities for the unit not otherwise included in your rent.
